Dear Ms. Given:

I can't begin to thank you enough for your recent support for The Miriam Hospital. In making this gift you are not only supporting a healthy future for the community, you are recognizing in memory of Licia C. Langford in a very special way.

The Miriam is dedicated to providing excellent patient care. Throughout the years, it has been the ongoing philanthropy of our supporters that has allowed us to continuously provide the highest quality patient care from our staff, leadership, physicians, and our Magnet Award-winning nurses. You, our donors, have contributed to enhancing our hospital by providing funding for research, state of the art equipment, world renowned doctors, and many programs and services.

We are honored to inform Jamie Langford of your thoughtful gesture. Please find enclosed an additional envelope should you wish to recognize another family member or friend in the future.

If you would like to see for yourself the impact that your gift has on all areas of the hospital please contact Dawn Howard in The Miriam Hospital Foundation office at 401-793-2004 or [dhoward@lifespan.org](mailto:dhoward@lifespan.org) to schedule a tour. Please also call us if you have any questions about your gift or the hospital in general.

Thank you again for your generosity and caring.

Sincerely,

Arthur J. Sampson  
President
